

The Cecil L. Mauger Charitable Trust

GRANT GUIDELINES

Approved: December 20, 2017

OVERVIEW

The Cecil L. Mauger Charitable Trust was established under the will of Cecil L. Mauger, a Newark businessman, to provide funds for charitable organizations. The Trust accepts proposals as part of a competitive grant making process to respond to new programs, emerging needs, capital needs, and innovative services that might not be started or continue were it not for the Mauger Trust support. The Trust will accept applications on a rolling basis. The Trust will meet at a minimum of two times per calendar year, as determined by the grant requests received and funds available. As a small, local foundation, we have limited resources and cannot respond favorably to all worthwhile causes.

PRIORITIES: POLICY STATEMENT FOR GRANTMAKING

Mauger Trust grants are made for public charitable purposes that enrich the quality of life of citizens of the Licking County, Ohio area. Generally, priority will be given to projects or programs that:

- Service the Licking County, Ohio area
- Help launch new projects which represent a unique and unduplicated opportunity for the community
- Support established organizations for special purposes
- Support organizations which deliver effective existing programs to assist or empower underserved or disadvantaged residents of Licking County
- Offer new approaches to solving problems, and stimulate others to participate in problem-solving
- Create opportunities for organizations to collaborate without duplicating services, and leveraging additional resources
- Make a clear difference in the quality of life for a substantial number of residents of Licking County
- Propose innovative, creative, and practical solutions to both current and emerging community needs
- Generate matching funds
